## **It's that time of year again.**

**Mowing season will be here before long. Bring your mowers by for a quick tune up and yearly maintenance.**

Tune ups for Push Mowers, Riding Mowers, and Zero Turns include:

New Engine Oil  
New Engine Oil Filter  
New Spark Plugs  
New Air Filter  
New Fuel Filter  
Blade Sharpening

Belt Inspection  
Tire Inspection  
Air PSI Adjustment  
Grease All Fittings  
Battery Test  
Alternator Testing

- ***Full inspections will be done on all units before service begins.***

**Mention this flyer and receive a 10% discount.**

Reminder, we currently **DO NOT** work on 2-stroke engines, which include weed eaters and leaf blowers.
